

## **Defensive Pistol Level 3**

**Defensive pistol 3 brings everything together from Defensive Pistol 1 & 2. You will be shooting strong side, support side, behind cover, multiple shots, multiple magazines or speed loaders. You will engage multiple targets, at varying distances. This will all be done from the holster. There will be malfunctions induced that you will have to clear and continue to shoot.**

**You will need outside the waist band holster on your strong side at 3 or 9 o'clock. Minimum of 4 magazines, magazine holsters, or drop bag. Eye and ear protection, hat, appropriate cloths to move and shoot in including appropriate foot wear. Approximately 200-300 rounds**

**Space is limited to 8 participants**

**June 7, 2026**

**Cost \$150**

**Register Oak Tree Pistol Range**
